YUKONWIM AND MINING & GEOLOGY WEEK 2022

Victoria Gold has been a foundational supporter of Yukon Women in Mining (YukonWIM) and the volunteer organization's dedication to advance a diverse, inclusive, respectful and progressive mining sector in the territory.

Core values of Victoria Gold; reflected in the company's high number of Yukon women in its workforce and to equity, diversity and inclusion (EDI) throughout its operations.

And, reflected in Victoria Gold's belief that when industry organizations and companies work together, Yukon individuals, governments, businesses and communities throughout the territory can best benefit from responsible mineral exploration and development.

One example is this year's Yukon Mining & Geology Week from May 1 to 7, 2022; lead by YukonWIM with support from (but not limited to) the Yukon Chamber of Mines, Yukon Producers' Group, Klondike Placer Miners' Association, Yukon University, Yukon Geological Survey and Yukon Women in Trades and Technology.

Numerous events throughout the week will recognize and celebrate Yukon mining's contributions to the territory's social and economic well-being including a Proclamation by the City of Whitehorse, EDI workshops and a joint industry-organization booth at the Yukon First Nations Chamber of Commerce 2022 Arctic Indigenous Investment Conference.

Friday, May 6 will feature the 10th annual Exploration and Discovery Camp at Kwanlin Dün Cultural Centre in Whitehorse; a milestone which corresponds with YukonWIM's 10th Anniversary this year. The camp will feature interactive displays, activities and wall tent booths showcasing the many facets of exploration and mining in the territory.

YukonWIM will also host a fundraiser lunch that same day with proceeds to benefit the Yukon Imagination Library; a non-profit family literacy organization which provides one free book per month to all registered Yukon children from their birth to the age of five. The Yukon Imagination Library is a cause very close to the hearts of the Victoria Gold team, which has significantly supported the charity since its inception.

"As Yukon Women in Mining commemorates 10 years, we extend our congratulations to the organization for all its work to educate, elevate and empower women in the exploration and mining industry," says Victoria Gold President & CEO John McConnell. "We also extend our appreciation for YukonWIM's commitment to community and its support through fundraising events for the Yukon Imagination Library and improved family literacy throughout the territory."

On Friday, May 6, as part of this year's Yukon Mining & Geology Week, YukonWIM will host a fundraiser barbecue lunch to benefit the Yukon Imagination Library at Kwanlin Dun Cultural Centre in Whitehorse. Everyone is welcome to attend to help support improved family literacy in the territory.
