"We aim to hire the most qualified people for the positions available, keeping in mind our commitment to local hire. The people we attract will be excited about the Eagle Gold Mine and responsible development, while looking for innovative ways to move our operations forward."

A similar recruitment event was held in Whitehorse on November 9 and included representatives from Victoria Gold's Human Resources (HR) and other departments who conducted interviews.

"There was a great turnout at the Recruitment Fair in Whitehorse with a lot of Yukon individuals interested in joining the Victoria Gold team and we hope our Mayo event also contributes to our hiring local and supporting 'Yukoners At Work,'" adds McConnell.
